SHAW + SMITH

BY THE BOTTLE

Shaw + Smith, in the cool climate region of the Adelaide Hills, was established in 1989 by cousins, Master of Wine Michael Hill-Smith and winemaker Martin Shaw.

Growing the best possible grapes, managing vineyards sustainably, and valuing vine health, soil health, and low yields are central to the Shaw + Smith approach.

As the business has grown Michael and Martin have built a formidable team - including Master of Wine and Joint CEO David LeMire and Senior Winemaker and Joint CEO Adam Wadewitz.

In 2021, Michael and Martin together with Adam and David purchased MMAD Vineyard in Blewitt Springs. The fine Maslin sands, along with the raised elevation that exposes the vines to fresh south-westerlies from the Gulf St Vincent, give an aromatic character that is as distinctive as it is enticing. The MMAD Vineyard is home to grenache vines planted in 1939, as well as chenin blanc, the oldest of which were planted in 1964.

The team's young winemakers are driven to explore different regions, varieties, and winemaking styles through The Other Wine Co. Here they aim to create fresh, approachable wines that celebrate fruit purity, flavour, and balance.

SOMMELIER'S SELECTION

At Bopp & Tone we celebrate the immense expertise and diversity in the Australian winemaking industry by not only championing the country's icons, but also supporting and celebrating new, emerging, talented independent wine makers. This section of our wine list will feature a rotating selection of rising stars on their way to becoming the next generation of Australian icon producers.

JESSOP WINES - ORANGE, NSW

Brothers Matthew and Chris brought Jessop Wines to life in 2021 after countless conversations while Chris spent fifteen years dancing between vintages in the Mosel, Central Otago and SA with the likes of Dr Loosen, Quartz Reef, Esk Valley and more.

The wines are a reflection of many of these experiences in some of the world's great cool-climate regions and with producers that demonstrate thoughtfulness in their winemaking and share a similar ethos to sustainability and place.

They source sustainably grown, high quality grapes from high altitude sites in Orange to produce small batch, single vineyard wines. A low-intervention approach in the winery aims to promote the vineyard and demonstrate a brightness and concentration unique to cool-climate regions.

VALENTINE WINES - YARRA VALLEY, VIC

Valentine Wines is a small but independently owned winery from Yarra Valley, Victoria. Led by Dominic Valentine, Dom first discovered his passion for winemaking working for high profile wineries such as Leeuwin Estate and Xanadu in Margaret River, WA.

Dom then studied at Adelaide University before working extensively for world-renowned vineyards in Germany's Rheingau region and France's Alsace before returning to Australia in 2011 and launching Valentine Wines from Victoria's Yarra Valley. Sourcing fruit from local vineyards as well as varieties from Heathcote, Valentine Wines is renowned for producing wines reflecting site specific characteristics and honouring the nuances of the area.

Chardonnay

Oh chardonnay, you're in and out of fashion, but never out of favour with true wine lovers. A shape-shifter of a variety, widely influenced by where it's grown and how it's made, steely and lean, to broad and voluptuous, chardonnay does it all.

RED WINE

Gamay

Hailing from Beaujolais, France, which is technically a sub-region of Burgundy, but with it's own distinct identity, it is now grown widely across the world. The pinnacle of Beaujolais is its 'crus', each named after it's nearby village, every cru possesses it's own distinctive character.

RED WINE

Grenache & Friends

Grenache is McLaren Vale's rising star variety, no slouch in other areas of Australia either, its origins, a little know fact, are Spanish. Called garnacha in it's home country, it has spread across the Mediterranean, it can be found in Sardinia, know as cannonau, and the south of France, where the more globally recognised name grenache is used.

Shiraz

Australia's most widely loved, and planted, grape variety, grown in almost every region in Australia, our love affair with shiraz is long and storied. Known as shiraz in only Australia, France's Rhône Valley is it's origin, known there and globally as syrah.
